

Show Ribbons

Ribbons are a major expense in the dog show budget. There are a wide variety of ribbons and their respective costs. Some ribbons will be treasured for a lifetime and others might be thrown away the same day. If you have the budget, purchase whichever ribbons your club chooses, while adhering to the AKC rules for colors. If you do not have a large budget or good margins on your show profit/loss sheet, then be more conservative or get ribbon sponsors to cover the cost.
