Excellent (E) Satisfactory (S) Failed (F)

_____ **Steady On Line:** Dog sits unleashed beside handler until released to seek game

_____ **Quarters efficiently:** Covers ground in a workmanlike manner within gun range, displaying scenting ability and use of wind. Barking while quartering is objectionable and should be penalized

_____ **Finds and Flushes Birds:** Flushes without urging - a slight hesitation is allowable

_____ **Marks Downed Bird:** Need not mark exact spot, can be able to be handled to bird

_____ **Retrieves on Land:** Finds and picks up bird, returning briskly to handler. Close proximity is satisfactory. To receive an excellent score dog must retrieve to hand. Dog is scored on two birds

_____ **Retrieves From Water:** Voluntarily enters water; swims to bird and delivers bird to handler. - Minimum distance 10 yards. To receive an excellent score dog must retrieve to hand

_____ **Does Not Display Gun Shyness**

_____ **Not Qualified:** Did not receive at least a satisfactory score in each area. Or showed Hard mouth, delivers chewed or crushed bird

_____ **Working Dog Certificate:** Dog's performance would make a satisfactory companion hunter during a day in the field. Dog worked within gun range of handler, under reasonable control, was never a nuisance. Dog can find, flush and retrieve birds from land or water, and does not display gun shy or hard mouth.

_____ **Working Dog Excellent Certificate:** Dog displayed all abilities for a Working Dog Certificate in an outstanding manner. Dog must deliver to hand on all retrieves
