BY MAIL - You can still send the original copy of the paper exams to OFA for submission! If you send the originals, it is strongly recommended that you make copies of the originals. Send five or more together to get the discounted rate of \$10 per dog. Submission by mail does not require you to establish an online OFA Account. OFA accepts checks or credit cards for mail submissions and complete instructions are on the back of the original CAER forms.

ASC FOUNDATION REBATE PROCESS:
