Some Helpful Hints --- Potty your dog before testing begins. You may not leave the building once testing begins. Treats are not allowed in the test area or during the test. This includes wearing a treat bag or having treats in your pocket. You need to use a buckle or slip collar (fabric, chain, martingale) or a non-restrictive harness. Pinch collars, no-pull/no-jump harnesses or gentle leaders'/head halters are not allowed during the test. You can talk to and praise your dog throughout the test. Relax and have fun! Remember, this is simply just a test --- pass or fail, you go home with the best dog! Handlers may re-test their dog that night at the discretion of the evaluator. Re-test is \$5.00. For detailed information on test components, please visit the CGC and Trick Dog Evaluations at <https://www.akc.org/>.
